ORDER: **(Per Hon'ble Sri Bilal Nazki, The Acting Chief Justice)**

The controversy in this case is relating to conduct of a sitting MLA, who according to the petitioners has received medical reimbursement bills, which are fraudulent. At different points of time, different orders were passed by this Court to ascertain as to whether there was a *prima facie* case or not. The learned Advocate-General has today informed that the Government has decided to get a case registered against the MLA concerned, and the police concerned will investigate the matter. He also submits that Hon'ble Speaker had referred the matter to the Ethics Committee of the Assembly, which has already given a notice to the said MLA i.e., respondent No.4, and the Hon'ble Speaker would also take a decision in the matter in accordance with law.

Considering the assurances given by the learned Advocate-General, we do not think any further orders are needed to be passed by us. We hope that the investigation by the police shall be carried strictly in accordance with law.

With the observation as above, writ petition is disposed of. No costs.
